

Dear all!

As promised last year ( and you have to keep your promises) : we will do it again!!

What? : **Belluno accuracy-training and Dolomiti Cup** (with integrated Limoncello Cup! ☺ )

When? : 23 April- 3 May inclusive. Arrival in weekend 21/22 April possible, departure Friday 4 May; that makes it possible to participate in the 1<sup>st</sup> Germany Cup competition on May 5 and 6 in

Bavaria. ( [www.d-cup-ziel.de](http://www.d-cup-ziel.de) )

How much? : First 10 jumps 13 euro each, after that 12 euros.(1000 mtrs, 5 in one run). Jumpers do *not* pay for facilities (camping, electricity, wi fi), accompanying persons pay 5 euros per day per head from 12 years of age and up.

**Dolomiti Cup** in weekend of 29/30 April. 8 jumps (5 competitors per team with scratch result) and dinner, 130 euro per person.

Please do consider this invitation *as personal*. We want to invite only so many jumpers, that a satisfying number of training jumps can be done daily with our airlift capacity. Please react as individual as soon as possible, but before April 1<sup>st</sup>, *if* you are coming and *what period* that will be. When your reaction comes in, your participation will be confirmed.

This way of registration enables us, to provide enough airlift capacity for the entire period.

During the training period North American Aerodynamics will have Parafoil GOLD canopies available for testing.
