

# Dear all!

2012 is not finished yet and already friends from all over the world are inquiring about another Belluno training/competition next year..!

And yes: also in 2013 we will organize an accuracy training and **Dolomiti Cup** (with integrated the famous Limoncello Cup!)

## When?

From **22 April- 2 May inclusive. Arrival in weekend 20/21 April possible.**

Departure on Friday 3 May; that makes it possible to participate in the 1st Germany Cup competition on May 4 and 5 in Bavaria.

( [www.d-cup-ziel.de](http://www.d-cup-ziel.de)) Should that competition NOT take place, the training period will be extended until Sunday May 5th.

## How much?

First 10 jumps 14 euro each, after that 13 euro. (1000 mtrs, 5 jumpers exit in one run)

There will be **NO fee for facilities** ( camping, electricity, wifi, shower etc.)

The Belluno-club members are working to make the "Casa Marechiallo" a ' bunkhouse' facility. If ready by the end of April, you are welcome!

Reservations are based on ' first come, first serve' .

## Dolomiti Cup/Limoncello Cup on 27/28 April.

8 rounds, (5 competitors per team with scratch-result) and dinner: 140 euro per person.

Please do consider this as a personal invitation. We want to invite only so many jumpers, that a satisfying number of training jumps can be done daily with our airlift capacity. Please respond individually as soon as possible, - latest before April 1st.-, to let us know if you are coming and what period that will be.

When your reaction comes in, your participation will be confirmed.

This way of registration enables us, to provide enough airlift capacity for the entire period.
